Film Education

University of Central Florida | Orlando, FL

August 2016-May 2019

Bachelor of Arts in Film

- Minor: Creative Writing

Film Experience

Zip In Media Productions | Miami, FL

September 2020-Present

Product Photographer & Production Assistant

- Assist lead camera operator in the production of television advertisements, interviews, product demonstrations, and web-based video content.
- Carry out product photography shoots, used for promotional advertisements on client social media accounts and administrative webpages.

Self-Employed | South/Central Florida

May 2018-Present

Freelance Production Assistant

- Perform the essential duties required on video shoots, such as lighting, camera operation, set decoration, crowd control, and the handling of release forms.
- Assist with the set-up and teardown of production equipment, as well as aid in the loading and unloading of gear into vehicles for transportation.

C&I Studios | Ft. Lauderdale, FL

August 2019-February 2020

Production Assistant

- Supported crew members and production teams while on-location, handling audio/video equipment, lighting, production vehicles, and craft services.
- Provided administrative assistance while in-studio; breaking down the logistics of scripts in preparation for shoots, overseeing the delivery of props and décor, and the distributing of talent release forms.
- Managed production equipment, set designs, and the arrival of talent during studio-hosted events.

Adrenaline Films | Orlando, FL

January 2019-April 2019

Video Production Intern

- Oversaw the studio warehouse inventory and coordinated the transportation of props and other studio equipment to and from shooting locations.
- Managed and prepped production equipment, including cameras, audio mixers, and grip bags for shoots.
- Worked as a Production Assistant on corporate video shoots and promotional videos for Children's Miracle Network, Victim Service Center of Central Florida, VidaCann, and Universal Orlando Resort.

The Brooklyn Cafe TV | Delray Beach, FL

September 2018-December 2018

Videographer/Studio Assistant Intern

- Shot, edited and executed various interviews and b-roll for promotional video projects, used for marketing campaigns on social media pages.
- Oversaw and operated all studio equipment, including cameras, video switchers, lighting, and soundboards during live broadcasts.
- Installed and operated production equipment during live audio sessions in-house and while on-location.
