Film Qualifications and Capabilities

- A one-man shooter and editor capable of creating innovative and captivating video content for promotional and social media-based content.
- Professionally worked as a Production Assistant on sets for television commercials, music videos, talking-head interviews, corporate/marketing campaigns, and short films.
- Skilled in video editing software, such as Final Cut Pro and Adobe Premiere.

Film Education

University of Central Florida | Orlando, FL
Bachelor of Arts in Film

August 2016-May 2019

- Minor: Creative Writing

Film Experience

Zip In Media Productions | Miami, FL

September 2020-Present

Camera Operator & Production Assistant

- Assist director in the production of television advertisements, corporate video productions, interviews, live streams, and web-based content.
- Shoot talking-head interviews, product demonstrations, and capture b-roll footage using Canon and BlackMagic Design Cinema Cameras.
- Operate soundboards, teleprompters, and produce still images of product demonstrations for client social media accounts and administrative webpages.

Self-Employed | South/Central Florida

May 2018-Present

Freelance Videographer & Production Assistant

- Direct, shoot, edit, and deliver final projects to clients, ranging from real estate/home renovation projects to social media and promotional video content.
- Work with various production crews while performing the essential duties required on shoots, such as camera operation, lighting, set decoration, crowd control, and the handling of release forms.

C&I Studios | Ft. Lauderdale, FL

August 2019-February 2020

Production Assistant

- Supported crew members and production teams while on-location, handling audio/video equipment, lighting, production vehicles, and craft services.
- Provided administrative assistance while in-studio; breaking down scripts in preparation for shoots, managing the delivery of props and décor, and the distributing of talent release forms.

Adrenaline Films | Orlando, FL

January 2019-April 2019

Video Production Intern

- Worked as a Production Assistant on corporate and promotional video shoots for Universal Orlando Resort, Children's Miracle Network, Victim Service Center of Central Florida, and VidaCann.
- Oversaw the studio warehouse inventory and coordinated the transportation of props and other studio equipment to and from shooting locations.

The Brooklyn Cafe TV | Delray Beach, FL

September 2018-December 2018

Videographer/Studio Assistant Intern

- Shot, edited, and captured various interviews and b-roll footage for promotional projects, used for live-broadcasts and social media campaigns.
- Oversaw and operated all studio equipment, including cameras, video switchers, lighting, and soundboards during live broadcasts.
