Film Qualifications and Capabilities

- A one-person shooter and editor capable of creating innovative and captivating video content for promotional and social media-based content.
- Professionally worked as a Production Assistant on sets for television commercials, music videos, talking-head interviews, corporate/marketing campaigns, and short films.
- Skilled in video editing software, such as Final Cut Pro and Adobe Premiere.

Film Education

University of Central Florida | Orlando, FL
Bachelor of Arts in Film

August 2016-May 2019

- Minor: Creative Writing

Film Experience

Self-Employed | South/Central Florida

May 2018-Present

Freelance Videographer & Production Assistant

- Direct, shoot, edit, and deliver final projects to clients, ranging from real estate/home renovation projects to social media and promotional video content.
- Work with various production crews while performing the essential duties required on shoots, such as camera operation, lighting, set decoration, crowd control, and the handling of release forms.

Zip In Media Productions | Miami, FL

September 2020-September 2021

Camera Operator & Production Assistant

- Assisted director in the production of television advertisements, corporate video productions, interviews, live streams, and web-based content.
- Shot talking-head interviews, product demonstrations, and captured b-roll footage using Canon and BlackMagic Design Cinema Cameras.
- Operated soundboards, teleprompters, and shot photos of product demonstrations for client social media accounts and administrative webpages.

C&I Studios | Ft. Lauderdale, FL

August 2019-February 2020

Production Assistant

- Supported crew members and production teams while on-location, handling audio/video equipment, lighting, production vehicles, and craft services.
- Provided administrative assistance while in-studio; breaking down scripts in preparation for shoots, managing the delivery of props and décor, and distributing talent release forms.

Adrenaline Films | Orlando, FL

January 2019-April 2019

Video Production Intern

- Worked as a Production Assistant on corporate and promotional video shoots for Universal Orlando Resort, Children's Miracle Network, Victim Service Center of Central Florida, and VidaCann.
- Oversaw the studio warehouse inventory and coordinated the transportation of props and other studio equipment to and from shooting locations.

The Brooklyn Cafe TV | Delray Beach, FL

September 2018-December 2018

Videographer/Studio Assistant Intern

- Shot, edited, and captured various interviews and b-roll footage for promotional projects, used for live broadcasts and social media campaigns.
- Oversaw and operated all studio equipment, including cameras, video switchers, lighting, and soundboards during live broadcasts.
